LUNCHEON WELL ATTENDED

Over 100 Mattapoissett clubwomen turned out for the kick-off meeting of the Mattapoissett Woman's Club last Thursday, and turned the Pot-Luck Luncheon into a Gourmet Luncheon with an array of beautiful dishes and desserts set off by a harvest centerpiece and lovely autumn flowers everywhere. All express appreciation to Mrs. Edwin Biehl and her committee for pulling it all together.

New members were introduced and received yearbooks from Mrs. Joseph Holt. They are; Mrs. Ethel Gorun, Mrs. John S. Musser, Mrs. Robert McCarter, Mrs. Robert D. Reed, and Mrs. William F. Burnett.

The program highlight was a most informative and interesting lecture and demonstration of the CETA Theater Arts Project presented by Mr. Timothy Ney and his co-workers. Their fine presentation gave everyone a better understanding of the role of the artist within the framework of federal fund-

ing and of the purpose of pending legislation at the national level with Bill HR-1042 and at the state level with the Cultural Education Act.

The next meeting of the Woman's Club will be on October 20.

The Dennies would much rather follow our red brick path.

Both Bob and Sandra Dennie say they like banking with us because of the many, many services we provide and the way we treat them.

Whether they bank inside, or outside at one of our drive-up windows, doesn't matter. The Dennies, like so many of our customers, would rather take a few minutes longer to drive to our place than bank at several others closer to home.

The way we see it — just like the Dennies of Mattapoisett — there are banks and there is our bank.

Even the younger members of the family — Robin and Eric — like banking with us.

SAFETY PROGRAM FOR NEWS CARRIERS

Is your newspaper carrier wearing the Orange Safety Vest?

Last night in a special safety program for newspaper carriers, sponsored by the Mat-tapoisett Woman's Club, your news carrier received a bright orange safety vest to wear while making home deliveries of the paper. While wearing the vests, the young carriers will be readily visible to motorists at dusk, in fog and in other inclement weather.

With Fall here and darkness arriving earlier each day, we ask you to notice the carrier on his job and to be alert, especially if you are driving, for the vest is only an adjunct to safety!

The Slogan-For-Safety contest has begun and all carriers will have the opportunity to win 2 tickets to a New England Patriots home football game. Entry blanks and contest details were presented at the September 20

Art Center Exhibit

An exhibition of paintings by members of the Providence Watercolor Club opened last Friday at the Marion Art Center with a wine and cheese reception for members and their guests. Those present had an opportunity to meet some of the artists and to chat with Betty Dunlop, president of the Club. She explained that the watercolor society was founded in the 19th century for the promotion of that media (as opposed to oil painting which was the "in" thing at that time). The more than 200 members of the society are all working artists primarily in watercolor, although recently print-makers and photographers have been admitted, recognizing these two fields as legitimate art forms unknown in the last century. The common ground of the three types of artists is the fact that they all work with paper, not canvas or other grounds.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

at the Children's Museum Outdoors will be
on freshwater stream life, and will start at
10:00 A.M. at the Museum Outdoors Inter-

throughout the year many different kinds of
insect larvae and other aquatic life live in
local streams where the water is constantly
flowing. This provides an unusual habitat
and is the cause of some very interesting adap-

SPECIALIZED FOSTER PARENTS

The New Bedford Area Office, Department of Mental Health, is looking for concerned families and individuals to become Specialized Foster Parents for mentally retarded children and adults. These children and adults are now at the Paul A. Dever School in Taunton and could leave this institution if homes could be found. They can take care of their own personal needs.

Specialized Foster Parents will have an opportunity to meet a prospective resident in their home before placement. There will be payment for room and board with additional payment on an hourly rate for in-home training. For example, a Specialized Foster Parent might help a mentally retarded child or adult learn how to prepare a meal

Training in mental retardation and foster parenting will be provided before and after placement so that Specialized Foster Parents will feel comfortable with the new person in their home. During most of the day the mentally retarded person will be in a program such as school or a day activity center.

Mentally retarded persons have the potential to learn and make great positive changes as a result of living in a home, an opportunity that many have never had. Specialized Foster Parents can receive tremendous gratification when they see a child or adult grow through their efforts.

A Specialized Foster Parent can be married or single. Ms. Lee Bordas at the Area Office (996-6987) would be happy to answer questions about this program.

ARTWORKS GALLERY -NEW LOCATION

ARTWORKS Gallery will soon relocate at the new New Bedford Center for the Arts. The gallery, formerly of 47 Second Street, was invited to participate in the center by the New Bedford Arts Council.

ARTWORKS had earlier announced its new location would be above Hayes Hardware on the second floor. Gallery Public Relations Director Dick Pacheco explained the shift in plans as due to some unforeseeable problems which arose concerning the Hayes location. There were complications with building codes and the installation of a fire escape prior to the gallery opening which has put off any

plans of holding any activities there indefinitely. Pacheco cited the possibility of some future use of that space should the conflicts be resolved, but added that no date is in sight at this time.

A marvelous focal point for any room.

The gallery has requested the use of 1,000 square feet of the art center space which is comparable in size to its former site. Pacheco said gallery use was flexible enough to accommodate larger or smaller use as the needs demand. ARTWORKS was cited in the proposals to get the center as a successful example of an art center idea based on the various programs from the visual arts to dance workshops and puppet shows, etc. which were held there. ARTWORKS activities were a deciding factor in the approval of the art center.

Council on Aging

This is the day (Wednesday, September 21) that the big bus leaves for the Springfield Exposition with a large group of Mattapoisett Seniors and a few Seniors from Marion at our invitation. The two trips to Boston's Faneuil Hall and Quincy Market Restored Area, scheduled for Tuesday, September 27th, and Wednesday, September 28th, are filled. Perhaps we can schedule another Minibus trip to this area later, if enough Seniors wish to go. See next week's Presto for trips planned in October.

The fourth and last trip by Minibus to Martha's Vineyard was enjoyed by a full load of Seniors last Thursday on a beautiful day. The Council on Aging will welcome suggestions for future trips.

The Loan Eagle

EDITORIAL - D.C.J.

There is a rather interesting double standard at work at all times in political Washington. The spirited defense of Budget Director Bert Lance by Senator Thomas Eagleton is a striking example. According to Senator Eagleton, Mr. Lance is being harmed by slander, innuendo and allegation. If Mr. Lance had not been hand picked by a man who wore a well polished halo throughout a campaign which featured the slogan "I'll never lie to you"; if this same gentleman had not recently declared, "Bert, I'm proud of you"; and if most of the financial manipulations of Mr. Lance were not documented fact; this Eagleton indignation would ring much truer. While the deficit financing practiced by Mr. Lance as a private banker probably was the best possible training for the job he now holds, these same manipulations of money belonging to depositors would seem to require some inquiry by those responsible to the public trust.

I doubt if Senator Eagleton would be so highly indignant if Mr. Lance had been a member of a Republican cabinet - let's say Richard Nixon's.

Cranberry Festival

6th ANNUAL CRANBERRY FESTIVAL & FAIR

The Cranberry Festival and Fair that started out six years ago as a small benefit for the Moby Dick Council, Boy Scouts of America: when George Bartholomew, owner of Edaville Railroad in South Carver, Mass., agreed to turn over the proceeds to the local scouts is now becoming a major Massachusetts tourist attraction.

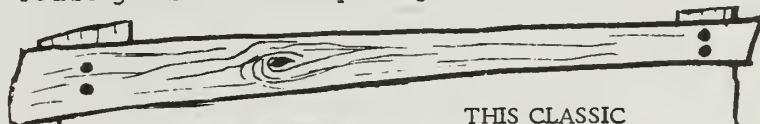

This year the two-day event will be held on September 24th and 25th and should draw around 20,000 people.

During the Festival you can take in all of the regular Edaville Railroad attractions, including the 5 1/2 mile ride on the famous Edaville Narrow Gauge Railroad which will take you right by the Cranberry Bogs where this year's cranberry harvest will be taking place.

In addition, many special events have been planned for this weekend. There will be musical groups and band concerts both days. Round and

square dancing with George Gray from Fairhaven as caller and his Squareaways. Demonstrations of all kinds will be taking place.

In the food department, you'll be able to savor the cranberry. An old fashioned corn roast goes on all day long as well as a bake

AMBASSADOR EBAN TO SPEAK AT SMU

His Excellency Abba Eban, former Foreign Minister, Ambassador to the United States, and Chief Delegate to the United Nations from Israel, will speak at Southeastern Massachusetts University on Monday, September 26, at 8:00 P.M. in the SMU auditorium.

Subject of his lecture will be: "Prospects for Peace in the Middle East - Reality or Fantasy?"

Ambassador Eban has played an important role in his country's foreign affairs since the establishment of Israel in May, 1948. At that time, he became the head of Israel's mission to the United Nations. When Israel gained membership in the UN on May 11, 1949, he became its Permanent Representative to the United Nations. In September, 1950, at the age of 35, he became Israel's Ambassador to the United States of America, the youngest official to hold a position of such rank and

importance in Washington.

Born in South Africa, Mr. Eban was educated at Cambridge University where he specialized in, and later taught, Hebrew, Arabic and Persian literature. His connection with political work in Israel began during World War II when he went to Jerusalem as Liaison officer of Allied

Basie, saxophonist Lester Young, and "Jazz on a Summer's Afternoon", a documentary of the 1959 Newport Jazz Festival. The public will see and hear some of the legendary jazz giants of the past. Admission will be charged.

The main event of the weekend will be the Sam Rivers Quintet, live on Saturday, September 24, at 8:00 P.M. in the auditorium. Rivers is a leading figure on the contemporary jazz scene in New York. Besides playing tenor and soprano saxophones, flute and piano, he has run one of the most successful of the loft clubs, Studio Rivbea, for many years. He has played and recorded with such men as Miles Davis, Cecil Taylor, Jaki Bayard, and Anthony Braxton as both a side man and a leader. His music is exciting and varied, shifting through many moods and styles in the course of a set. It promises to be an evening of explosive contemporary jazz at its best. Bassist Dave Holland, cellist Abdul Wadud, and drummer Barry Altschul will be featured in the group which Sam will bring. Tickets are available at the door.

Sunday will be an eventful climax to the weekend. Starting at 4:00 P.M. in the afternoon,

the powerful, Boston based trio, Fringe will perform in the auditorium. This is their first appearance in the southeastern Massachusetts area and their distinctive sound is not to be missed. Tickets are available at the door.

The Board of Governors is sponsoring the final concert of the weekend. It's a concert with something for everybody. Jaki Bayard, legendary jazz pianist, returns to SMU for another solo piano concert. Jaki utilizes all phases of jazz piano playing in his approach to the piano, and is always an audience pleaser. Appearing on the same bill is Stanton Davis and Ghetto Mysticism. Stanton's trumpet and cornet playing is warm and soulful. His band accompanies him with a modern sound colored by many percussion instruments. The concert starts at 8:00 P.M. in the auditorium. Tickets are available at the door.

No matter where your taste lies, when it comes to jazz, the SMU Jazz Weekend is offering something to please that taste. Be sure not to miss the return of the jazz festival to New England September 22, 24 and 25 at Southeastern Massachusetts University. Further information may be obtained by calling 997-9321, extension 694 or 633.

that the bank has purchased the McClelland Building on Main Street in Wareham. The building, which is built out of brick and right next door to the bank, is 5,400 square feet in size. It will be used for the future expansion of the National Bank of Wareham's facilities.

The McClelland Store, which presently occupies the building, is a division of the McCrory Stores and has been in business at this location since 1941.

Mr. Barrett said, "This acquisition on our part is just another example of our belief in the continued prosperity and expansion of Wareham's downtown area. We have total

confidence in Wareham's future and we intend to remain a vital part of it."

The bank's date of occupancy in the McClelland Building will be announced later.
